RE: Green Island Power Authority
Tariff Schedule P.S.C. No. 1 – Electricity

Dear Secretary Brilling:

The Green Island Power Authority (GIPA) herewith submits for filing proposed revisions to GIPA's P.S.C. No. 1 Electricity, Leaf No. 6 and Leaf No. 8. GIPA's current SC-2 and SC-2A tariffs are silent insofar as what qualifies a customer to be assigned to the Demand or Non-Demand class. The proposed revisions will resolve this issue and establish clear guidelines within the tariffs for assignment to customers.

GIPA proposes that these changes in Leaf No. 6 and Leaf No. 8 take effect on February 1, 2011, and respectfully request that the Public Service Commission approve the tariff leaves provided herein. Please advise the undersigned of any questions you may have regarding this filing.

Respectfully submitted,

Kristin M. Swinton
