Re: Tariff Addendum

Dear Secretary Brillling:

National Fuel Gas Distribution Corporation submits the following addendum to its tariff,
P.S.C. No. 8 - GAS:

Addendum No. 10

The Addendum bears an effective date of January 19, 2011.

This filing is submitted in compliance with the Commission's *Order concerning Tariffs Authorizing Individually Negotiated Contracts* in Case No. 91-M-0927 issued on May 8, 1992 ("Order"). The Addendum has been updated to reflect changes to Negotiated Transportation Gas Service Agreements signed with Distribution and to delete expired agreements.

The format of the Addendum has also been changed to eliminate unnecessary pages without reducing required content. Previously each negotiated contract was identified on its own, full page. The instant Addendum consolidates all negotiated contracts into a spreadsheet listing each contract and setting forth the information required by the Order.

Questions regarding this filing should be directed to the undersigned at 716/857-7950.

Respectfully submitted,

Michael W. Reville
