Dear Commissioners:

Re: Case 05-M-0090
Order Continuing Systems Benefit Charge Funded Programs

In compliance with the Public Service Commission's December 30, 2010 Order and the subsequent Errata Notice dated January 6, 2011 in the above referenced proceeding, Central Hudson Gas & Electric Corporation hereby files the following revised statement to become effective on February 1, 2011.

P.S.C. No. 15 - ELECTRICITY

Statement of System Benefits Charge
and Renewable Portfolio Standard Charge

SBC - 22

The revision reflects the Commission's approval to extend the System Benefit Charge ("SBC") and to defer collections for SBC III until 2012 and 2013 as reflected in ordering clause No. 1 of the above Order. With the deferral of SBC III collections, the Company's authorized collection amount for 2011 is zero. As such, the Company has stopped SBC III collections.

Pursuant to Ordering Clause No.1 of the above referenced Order, the requirement of 66(12)(b) of the Public Service Law as to newspaper publication of these amendments has been waived.

Questions related to this filing should be directed to Jodi L. Harris at (845) 486-5578.

Very truly yours,

Michael L. Mosher
