Dear Commissioners:

Re: Case 07-M-0548
Order Approving Three New EEPs Programs and Enhancing Funding
and Making Other Modifications for Other EEPs Programs

In compliance with the Public Service Commission's June 24, 2010 Order in the above referenced proceeding, Central Hudson Gas and Electric Corporation hereby files the following revised statement to become effective on October 1, 2010.

P.S.C. No. 15 - ELECTRICITY

Statement of System Benefits Charge
and Renewable Portfolio Standard Charge

SBC - 19

The revision reflects the Commission's approval to augment the System Benefit Charge ("SBC") as reflected in ordering clause No. 10 of the above Order. Since the Company's electric rate schedule currently provides for the collection of SBC, no tariff amendments are required.

Pursuant to Ordering Clause No.12 of the above reference⁴ Order, the requirement of 66(12)(b) of the Public Service Law as to newspaper publication of these amendments has been waived.

Questions related to this filing should be directed to Jodi L. Harris at (845) 486-5578.

Very truly yours,

Michael L. Mosher
