Re: Tax Surcharge Factors

Dear Secretary Brillling:

The enclosed revised Statements, issued by New York State Electric & Gas Corporation, are transmitted for filing in compliance with the requirements of the Public Service Commission ("Commission"), State of New York.

TSP Statement No. 19 to PSC 87 - Gas
TSP Statement No. 19 to PSC 88 - Gas
TSP Statement No. 18 to PSC 120 - Electric
TSP Statement No. 18 to PSC 121 - Electric

Effective November 13, 2012

The above Statements are being filed pursuant to General Information Section 3 of PSC 87 and PSC 88 for natural gas service and General Information Section of PSC 120 and 121 for electric service. This filing adds the Village of Seneca Falls to the list of villages shown on the Tax Surcharge Percentage Statement that impose the 1% tax on utility revenues. In July 2012, NYSEG had received notice that the Village had dissolved and that NYSEG should no longer collect the 1% tax. Subsequently, NYSEG received an additional notice from the Town of Seneca Falls that requires the former Village tax to be collected for an additional two year period.

If you have any questions concerning this filing, please call me at (607) 762-8710.

Very truly yours,
