Dear Secretary Brillling,

Orange and Rockland Utilities, Inc. (the "Company") herein submits for filing its Statement of Charge for Renewable Portfolio Standard (RPS) Program, Statement No. RPS – 2 to its Schedule for Electric Service, P.S.C. No. 3 – ELECTRICITY. This Statement is issued September 14, 2012, to become effective with service rendered on or after October 1, 2012.

This filing is in accordance with General Information Section 27 of the Company's Schedule for Electric Service requiring an annual RPS filing in accordance with the Commission's September 24, 2004 Order in Case No. 03-E-0188.

The proposed RPS rate is based on an RPS collection target of \$9,489,341 for the period October 1, 2012 through September 30, 2013 as established in the Commission's April 2, 2010 Order in Case No. 03-E-0188. The determination of the proposed RPS rate also includes a reconciliation of RPS recoveries for the period October 2011 through September 2012, and the RPS collection target for the same period. The amount under-collected for the reconciliation period is \$23,557. The resulting RPS rate is 0.246 cents per kWh.
