Overview of the Filing

In compliance with ordering clause 2 of the Order, the Companies are submitting additional changes to its tariffs to allow for the implementation of net metering for non-residential customers installing micro-hydroelectric generation.

Publication

In compliance with ordering clause 5 of the Order, newspaper publication is waived because existing non-residential and farm customers affected by these tariff changes will be notified directly. New customers will be advised of these tariff changes when they enter into interconnection agreements with the Company.

If there are any questions concerning this filing, please call Kathy Grande at (585) 771-4514 or me at (607)762-8710.

Respectfully submitted,
