Re: Case No. 11-G-0662 - Revision to Proposed Tariff Leaf
National Fuel Gas Distribution Corporation

Dear Secretary Brilling:

National Fuel Gas Distribution Corporation ("Distribution" or the "Company") submits the following revisions to its tariff, P.S.C. No. 8 – GAS:

Leaf No. 37.2

Revision 1

The proposed revision is submitted as of the date hereof for an effective date of February 1, 2012.

The revision to the proposed leaf is submitted because it was determined by staff that part of the initial amendment sought by the Company was substantive and not a mere administrative or "housekeeping" change. So it has been removed.

Distribution respectfully requests that the Commission approve the proposed tariff revision for an effective date of February 1, 2012. If you have any questions regarding this filing, please contact Michael Novak at (716) 857-7884.

Respectfully submitted,

Daniel J. Ligman
Attorney
