Re: Case No. 11-G-0662 – Cancellation of Proposed Tariff Revisions by
National Fuel Gas Distribution Corporation

Dear Secretary Brillling:

National Fuel Gas Distribution Corporation (“Distribution” or the “Company”) submits the following amendment to its tariff, P.S.C. No. 8 - GAS:

Supplement No. 44

The proposed Supplement is issued as of today with an effective date of February 1, 2012.

Distribution submitted tariff revisions on December 2, 2011 proposing non-substantive “housekeeping” and administrative changes to its tariff. The sole purpose of this filing is to cancel certain tariff leaves because it was determined by staff that some of the proposed leaves of the initial “housekeeping” filing had substantive and not mere administrative or “housekeeping” changes. So these leaves have been canceled.

For questions relating to this filing, please contact Michael Novak at (716) 857-7884.

Respectfully submitted,

Daniel J. Ligman
Attorney
