State of New York  
Public Service Commission  
Office of the Secretary, 19th Floor  
Three Empire State Plaza

Dear Secretary Brillling:

Attached for filing electronically with the Commission are the following tariff leaves issued by The Brooklyn Union Gas Company d/b/a National Grid NY (“the Company”) to become effective January 2, 2012:

Third Revised Leaf No. 94  
Seventh Revised Leaf No. 95  
Fourth Revised Leaf No. 97  
Fourth Revised Leaf No. 98  
Fifth Revised Leaf No. 107  
Ninth Revised Leaf No. 108  
To Schedule for Gas – P.S.C. No. 12-GAS

The acceptance of applications for the Company’s Area Development Rate (ADR) and Business Incentive Rate (BIR) will expire on December 31, 2011. The purpose of this filing is to request a three-year extension to continue to accept applications through December 31, 2014. After review of the overall effectiveness of the ADR/BIR programs to determine whether or not they should be continued, the Company concluded that incentive programs have and will continue to contribute to the economic growth of New York City. The continuance of these programs will provide benefits to the Company’s ratepayers by helping to augment the economic vitality of its service territory.

Additionally, a housekeeping change was made to Leaves 94, 97, 98, and 107 to remove a reference to Service Classification No. 16 which is no longer in effect.
