RE: Case No. 11-E-0456 – Tariff Filings to Effectuate Amendments to Public Service Law
Concerning Green Jobs-Green New York On-Bill Recovery

Dear Secretary Brilling:

The attached leaves, issued by Niagara Mohawk Power Corporation d/b/a National Grid (“Company”), are being transmitted for filing in compliance with Notice Establishing Filing Requirements issued by the New York State Public Service Commission on August 26, 2011.

First Revised Leaf No. 235.1
First Revised Leaf No. 235.2
First Revised Leaf No. 235.3

To P.S.C. No. 220 Electricity

Effective: January 1, 2012

The purpose of this filing is to revise the filing presently before the Commission, issued on September 26, 2011, issued in compliance with the Notice Establishing Filing Requirements in Case No. 11-E-0456 issued by the Commission on August 26, 2011. This notice directed the combination electric and gas utilities listed on the notice to make filings necessary to conform their tariffs to the new statutory requirements included in the amendments to Public Service Law as it applies to Green Jobs Green New York On-Bill Recovery which became effective on August 4, 2011.

After numerous meetings with members of Public Service Commission Staff, NYSERDA and the joint utilities, it was determined that revisions were needed to the above leaves which were issued with the original filing of September 26, 2011.

As requested in the original filing, waiver of the requirements of newspaper publication as required by the Commission’s regulations of 16 NYCRR Section 720-8 is respectfully requested for this filing since the New York State Energy Research and Development Authority (“NYSERDA”) will be responsible for marketing this NYSERDA Loan Installment Program to customers.

Please advise the undersigned of any action taken regarding this filing.

Sincerely,

Patricia J. Rivers
