Re: Arrow Park, Inc. - Application to Increase Rates and to Establish a Surcharge to Recover an Extraordinary Expense.

Dear Secretary Brillling:

The enclosed amendments, submitted by Water Rates Staff, on behalf of Arrow Park, Inc, are transmitted electronically for filing in compliance with the requirements of the Public Service Commission of the State of New York.

P.S.C. No. 3 – Water

Leaf No. 10, Revision 1
Statement No. 1 Surcharge Related to Extraordinary Expenditures
Effective date: November 1, 2011

Leaf No. 12, Revision 1
Effective date: July 1, 2012

Arrow Park, Inc.'s last rate increase went into effect January 1, 1993. From that date until now the cost of operating and maintaining the water system has significantly increased, also, the system experienced leaks and a pump failure; the company proposes to increase its annual service charge from \$175.29 to \$489; and to increase the usage charge from \$1.55 per thousand gallons to \$2.50 per thousand gallons; Arrow Park's annual revenues will increase by \$10,052 or 144%.

Arrow Park, Inc. is also requesting to collect the amount of \$10,438 from its customers that it spent to repair leaks in its tank and replace a well pump. The customers will be billed eight payments of \$46.60 per customer. The first payment will be due November 1, 2011, the second payment will be due January 1, 2012, and continue quarterly thereafter until the full amount of \$10,438 is collected.

In addition, the company is requesting to change its restoration charge from \$10 at all times to \$50 during normal business hours, \$75 outside of normal business hours, and \$100 during weekends and public holidays.

Very truly yours,
Arrow Park, Inc.
